

# Rail Passenger Satisfaction at a glance: Southern - Autumn 2015

Transport Focus is the independent transport-user watchdog. Our mission is to get the best deal for transport users. In spring and autumn we carry out the National Rail Passenger Survey (NRPS), a network-wide picture of passengers' satisfaction with rail travel in Great Britain.

We ask passengers for their views of the specific journey they are making at the point they are surveyed, both in general and on a number of specific areas regarding the station, the train and the service received.

For Southern this time we spoke to 1538 passengers. This page shows the headlines. Page 2 shows satisfaction with individual aspects of the station and the train. Page 3 looks at some factors in a bit more depth. The last page shows which factors have the biggest effect on satisfaction and dissatisfaction.

#### How routes are defined

**Gatwick Express:** Fast Gatwick Express services Gatwick – London Victoria

**Metro:** Journeys on rail lines that are within London

**Sussex coast:** Journeys London – Sussex (and beyond)

## What impacts on satisfaction and dissatisfaction?

Not all factors will have equal importance - some things will have a much bigger influence on whether a passenger is satisfied with the overall journey than others.

The charts below show which station and train factors are statistically most important in determining overall passenger satisfaction and dissatisfaction.

The analysis looks at which factors correlate most highly with overall journey satisfaction. For example, if those satisfied with punctuality are much more likely to be satisfied overall, then punctuality is likely to have a bigger impact on overall satisfaction. The higher the percentage figure below, the greater the influence on overall journey satisfaction.

### What has the biggest impact on overall satisfaction?

- Punctuality/reliability
- Journey length
- Cleanliness inside the train
- Overall station environment
- Ease of get on and off the train
- Others

### What has the biggest impact on overall dissatisfaction?

- How train company dealt with delays
- Journey length
- Sufficient room to sit/stand
- Punctuality/reliability
- Others
