

# Rail Passenger Satisfaction at a glance: Greater Anglia - Autumn 2013

Passenger Focus is the independent watchdog. Our mission is to get the best deal for passengers. In spring and autumn we carry out the National Rail Passenger Survey (NRPS), a network-wide picture of passengers' satisfaction with rail travel for Great Britain.

We ask passengers for their views of the specific journey they are making at the point they are surveyed, both in general and on a number of specific areas regarding the station, the train and the service received.

For Greater Anglia this time we spoke to 2200 passengers. This page shows the headlines. Page 2 shows satisfaction with individual aspects of the station and the train. Page 3 looks at some factors in a bit more depth. The last page shows which factors have the biggest effect on satisfaction and dissatisfaction.

## Overall satisfaction with the total journey

## Overall satisfaction by journey purpose

## Overall satisfaction by route

## How routes are defined

**Intercity:** London – Norwich journeys, plus a few shorter workings (like an early morning Colchester to Norwich service)

**Mainline:** Journeys on outer suburban Great Eastern services to London – Ipswich, plus branches to Harwich, Clacton, Walton, Sudbury and Braintree

**Metro:** Journeys on London – Southend Victoria trains, plus Southminster branch, the London – Shenfield metro route and Romford – Upminster

**Rural:** Journeys on Ipswich – Felixstowe, Lowestoft, Cambridge and Peterborough rail lines, plus Norwich to Lowestoft, Yarmouth, Sheringham and Cambridge lines

**Stansted Express:** Journeys on Stansted Express, on Greater Anglia trains which start or end at Stansted Airport

**West Anglia:** Journeys on the route from/to London Liverpool Street on the West Anglia route that are not Stansted Express

## Satisfaction at the station where boarded

## Satisfaction on the train

## Satisfaction - in a bit more depth (Autumn 2013)

### Overall satisfaction - by route and journey type

### Punctuality/reliability % satisfied

### How well train company deals with delays % rating well

### Value for money % satisfied

### Room to sit / stand % rating as good

### Cleanliness inside the train % rating as good

### Journey length % satisfied

## What impacts on satisfaction and dissatisfaction?

Not all the factors shown above will have equal importance - some things will have a much bigger influence on whether a passenger is satisfied with the overall journey than others.

The charts below show which station and train factors are statistically most important in determining overall passenger satisfaction and dissatisfaction.

The analysis looks at which factors correlate most highly with overall journey satisfaction. For example, if those satisfied with punctuality are much more likely to be satisfied overall, then punctuality is likely to have a bigger impact on overall satisfaction - the higher the percentage figure below the greater the influence on overall journey satisfaction.

### What has the biggest impact on overall satisfaction?

- Punctuality/reliability
- Cleanliness inside the train
- Journey length
- Others

### What has the biggest impact on overall dissatisfaction?

- How train company dealt with delays
- Punctuality/reliability
- Journey length
- Others

This is just a quick look at passenger satisfaction.
