This survey is being undertaken for Passenger Focus by Continental Research, an independent market agency based in London. You were handed the questionnaire by an interviewer working for Continental Research.

The results from the survey are used by Passenger Focus to take passengers' views into account when representing rail travellers. In addition the data will be provided to the Department for Transport and a range of organisations to help them assess the performance of the train operating companies. To find out more about how the information is used please visit www.passengerfocus.org.uk.

All the answers you provide are entirely confidential and will be combined with those of many other passengers to produce overall figures for each train operating company and to generate regional and national summaries of performance.

If you have any questions about this survey, please feel free to contact David Chilvers at Continental Research on 020 7490 9111. If you have any concerns about the bona fides of the survey itself, you can contact the Market Research Society on 0500 396999 who will verify our status as a legitimate market research organisation.
