Transport challenges

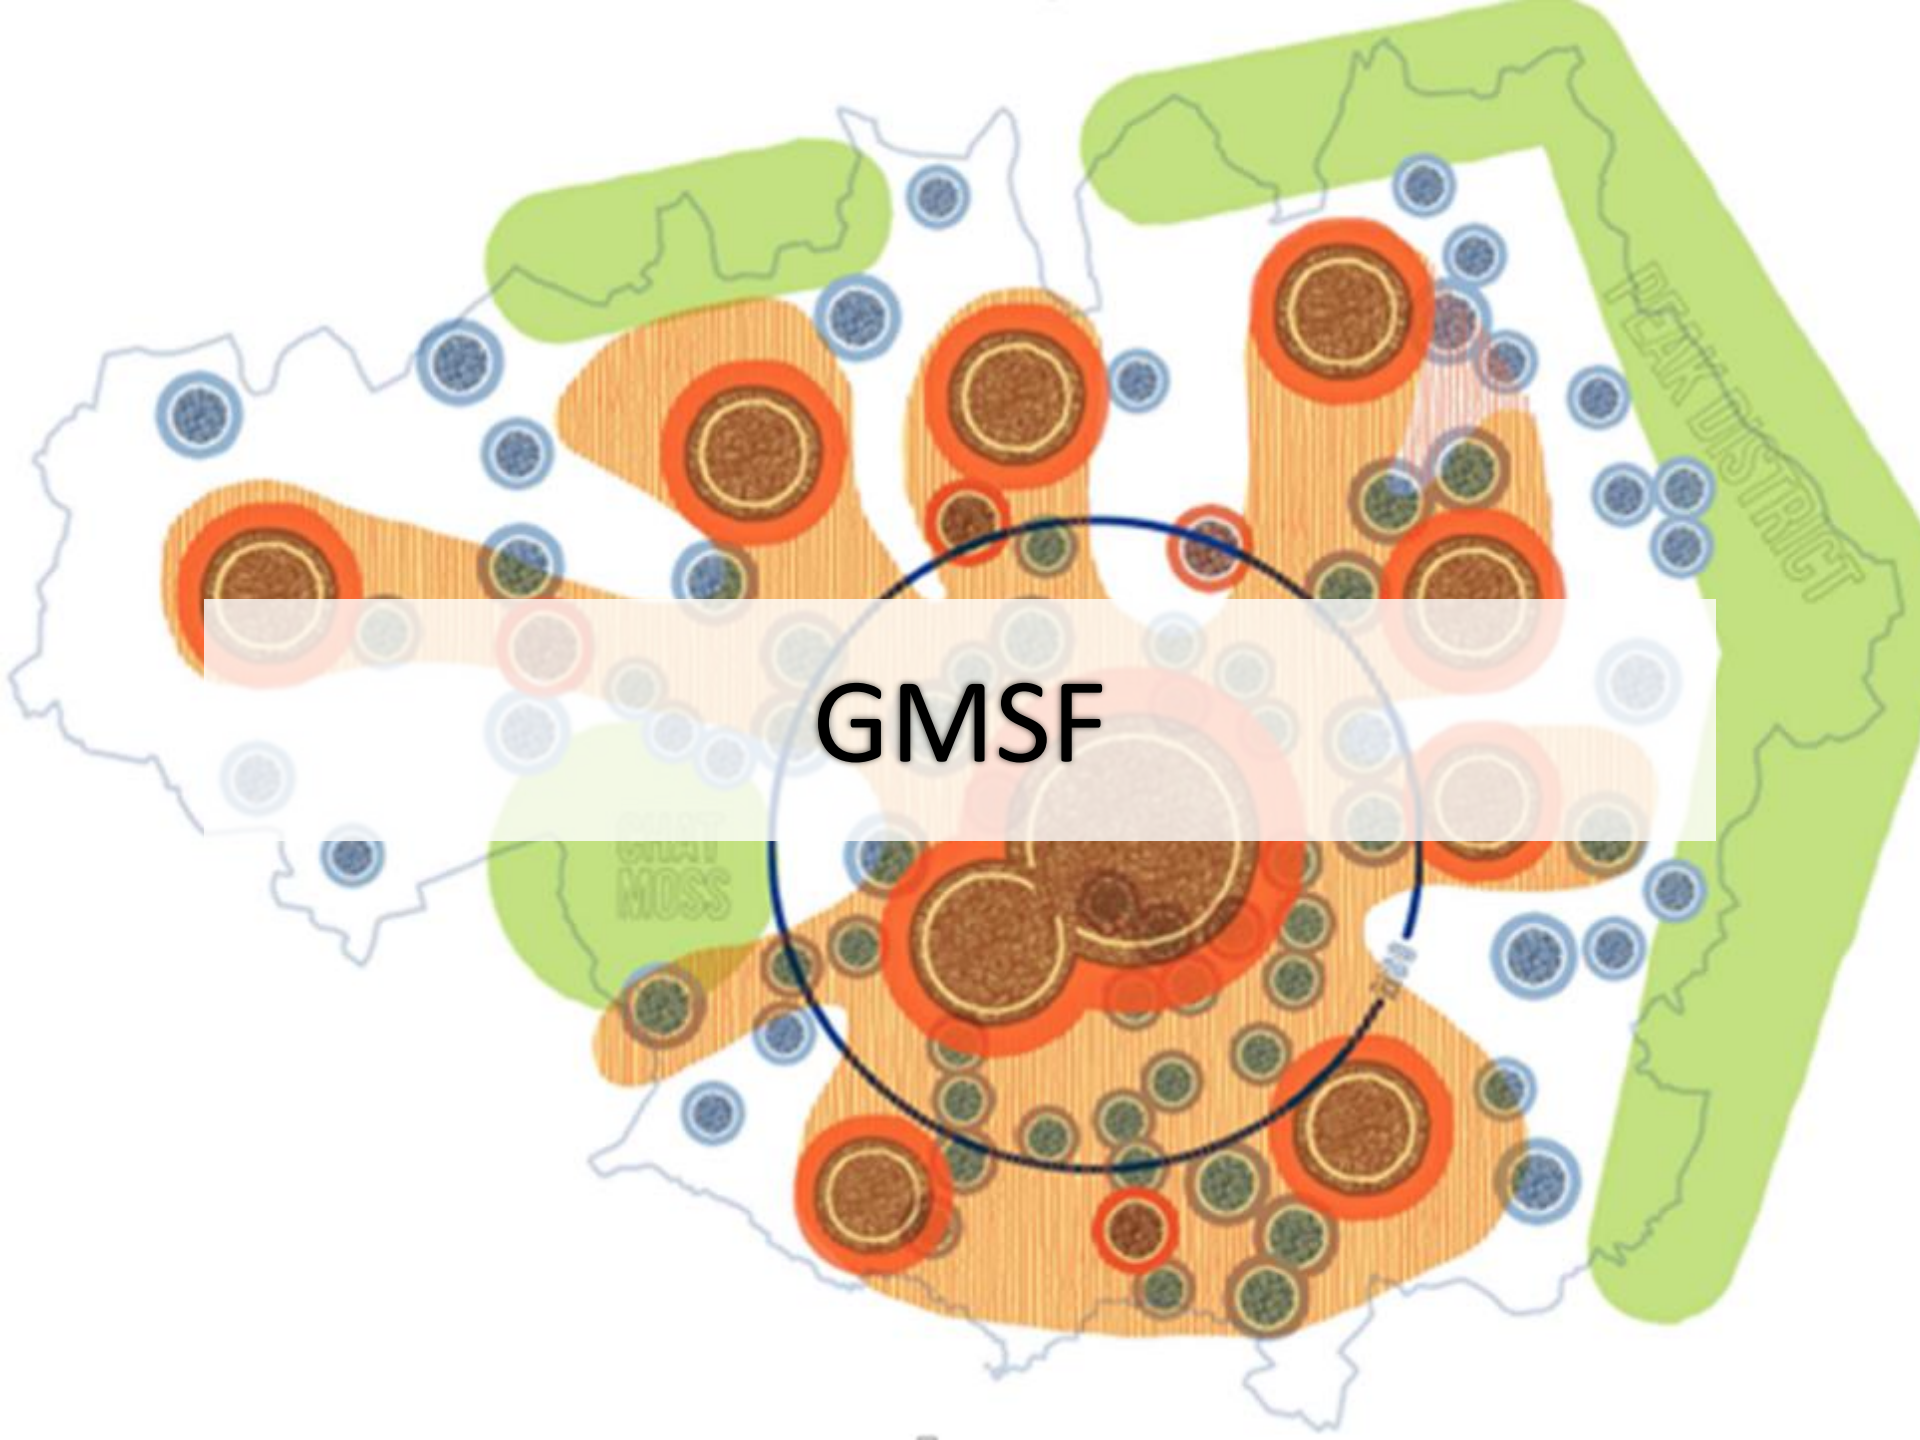

Congestion

An illustration depicting air quality. In the center, a white banner contains the text "Air Quality". The background shows a hazy, greyish-blue sky with stylized white clouds. On the left, a man in a blue sweater walks with a woman in a red top pushing a stroller. In the middle, a woman in a red top and grey skirt walks with her arms raised. On the right, a red car is shown from the front, with two people inside. Below it, the rear of an orange car is visible. The overall scene suggests a city street affected by air pollution.

Air Quality

GMSF

A vibrant city street scene featuring a yellow and white tram in the foreground, a blue double-decker bus, and a purple train on an elevated track in the background. Pedestrians are visible on the sidewalk, and cars are in traffic. A semi-transparent white banner is overlaid across the middle of the image.

Customer Development

A photograph of a busy urban street scene. In the foreground, a cyclist wearing a blue helmet and a dark jacket is riding away from the camera. In the middle ground, several other cyclists and pedestrians are visible. A woman with red hair is riding a bicycle towards the camera. To her right, two men are walking. Further right, a woman with a backpack is walking away. The background shows trees, a fence, and buildings. A white semi-truck is partially visible on the right side. The overall atmosphere is active and urban.

Cycling and walking
