

CLEARER / SAFER / EASIER

CAN I READ IT?

What's the point of a sign you can't see?

"Sometimes the trees and bushes covered the permanent signs, needs to be removed."

JUST MEND IT!

Is the essential bit of information for your journey missing?

"Permanent signs need to be fixed/cleaned."

IS IT USEFUL?

Found a sign that's not relevant or confusing?

"The signs are annoying...the information isn't up to date."

HOW CAN YOU GET INVOLVED?

1 Tell us when signs aren't up to scratch!

Send in your examples of signs on motorways and major 'A' roads managed by Highways England that:

- you can't see
- need fixing
- you find confusing.

Report your issues via our website www.transportfocus.org.uk/sortmysign

...But not while you are driving.

2 Can you read a sign at 70mph?

Challenge yourself from the virtual driver's seat in the interactive test on our website www.transportfocus.org.uk/sortmysign. What score can you achieve?

...Again, but not while you are driving.
