

Travel during Covid-19

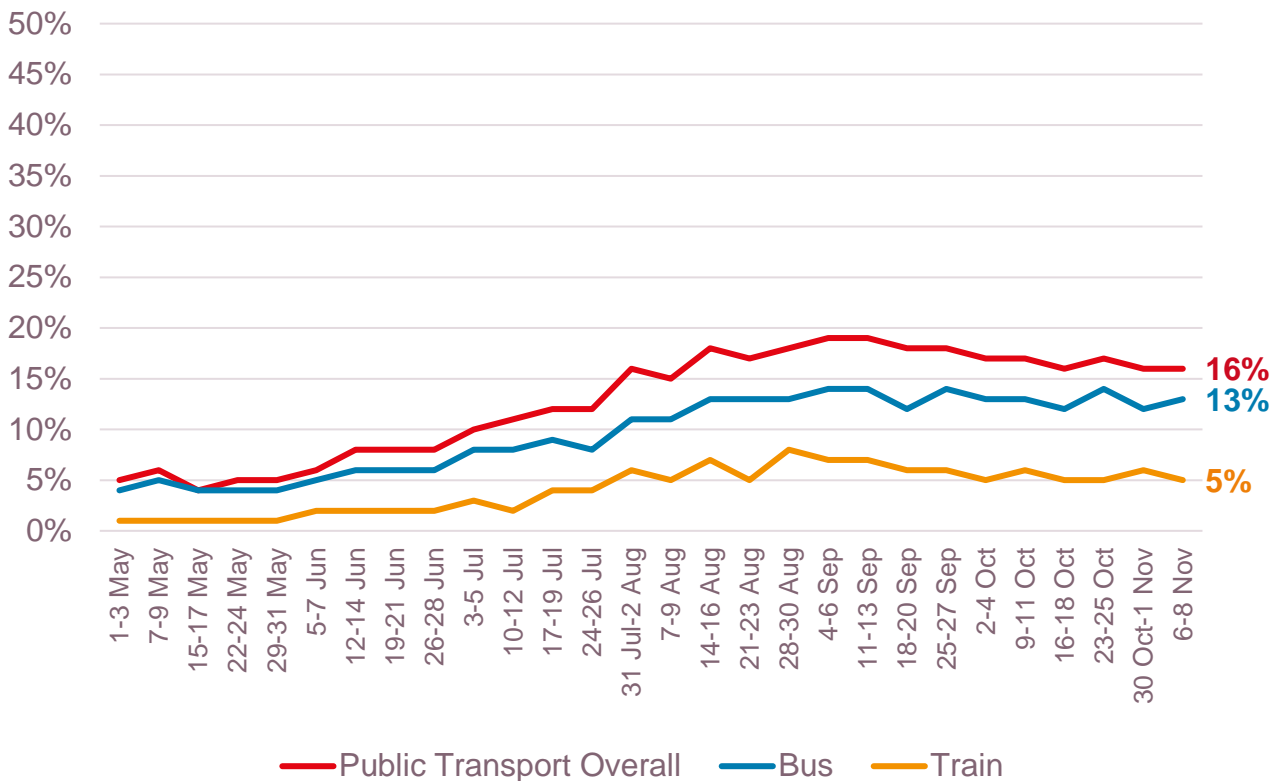

Tracking research - week 28

13 November 2020

Travel during Covid-19: omnibus week 28

The proportion of people using public transport has fallen in recent weeks

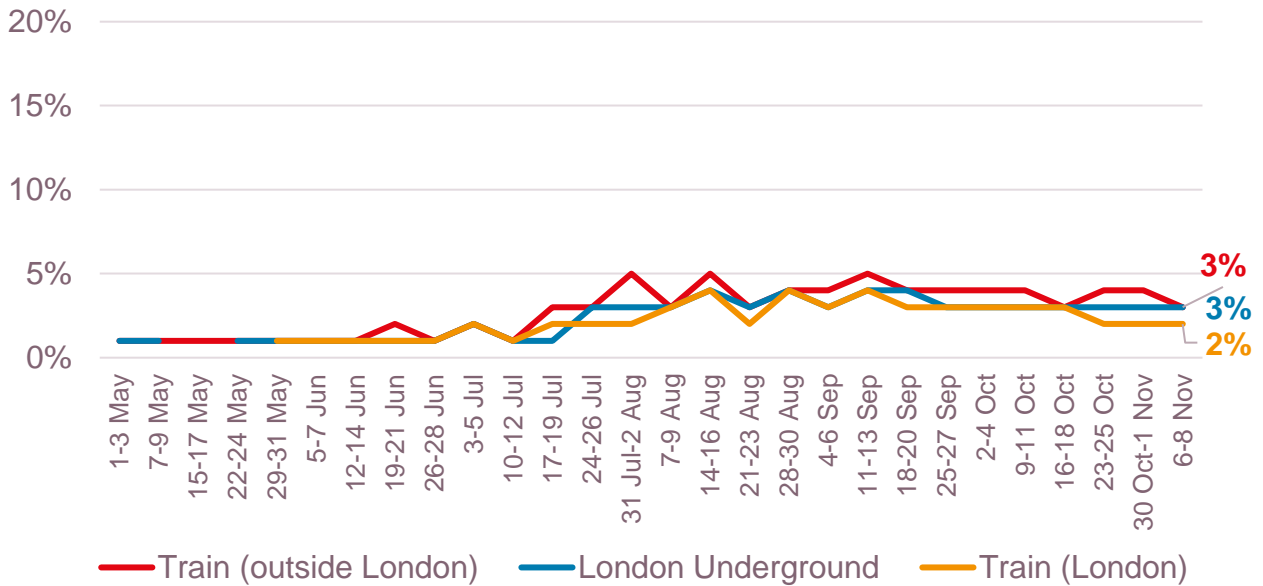

Use of public transport in last seven days – Great Britain

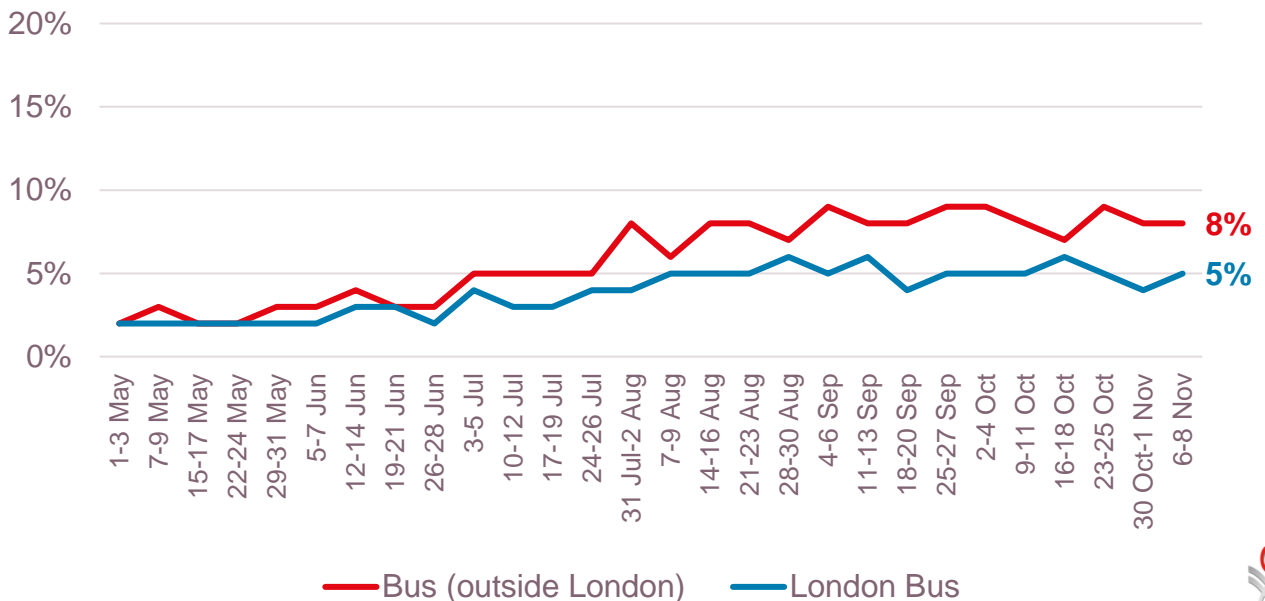

Travel during Covid-19: omnibus week 28

Small proportions have used trains and buses

Use of train in last seven days

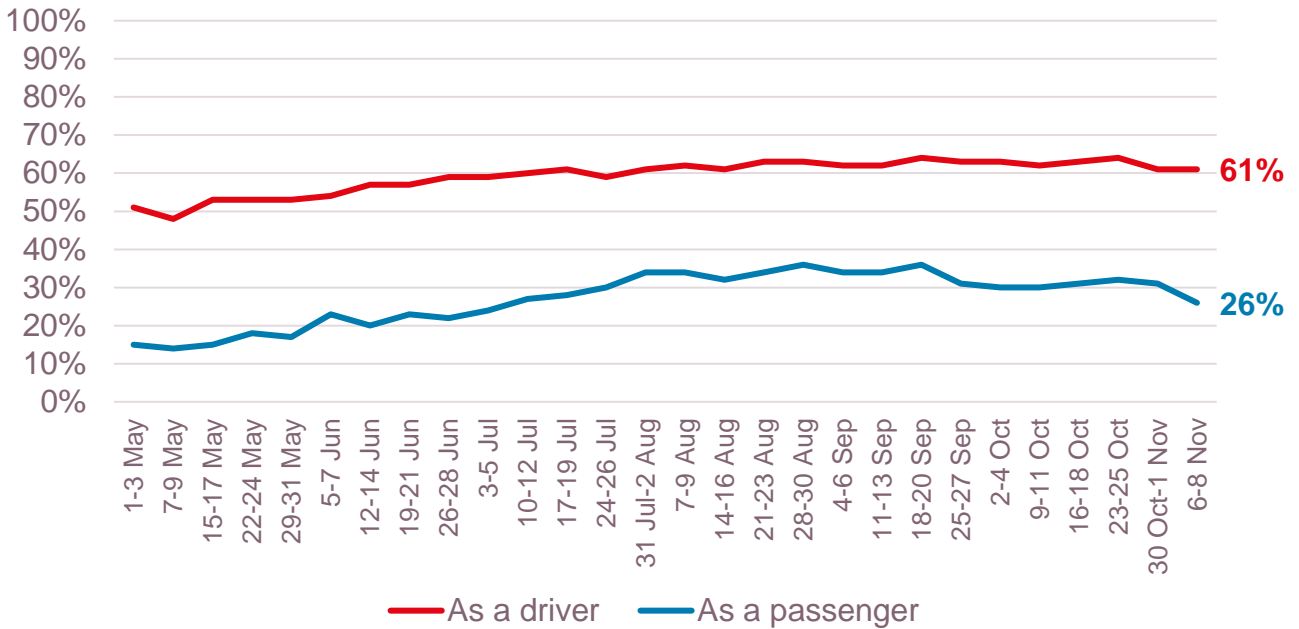

Use of bus in last seven days

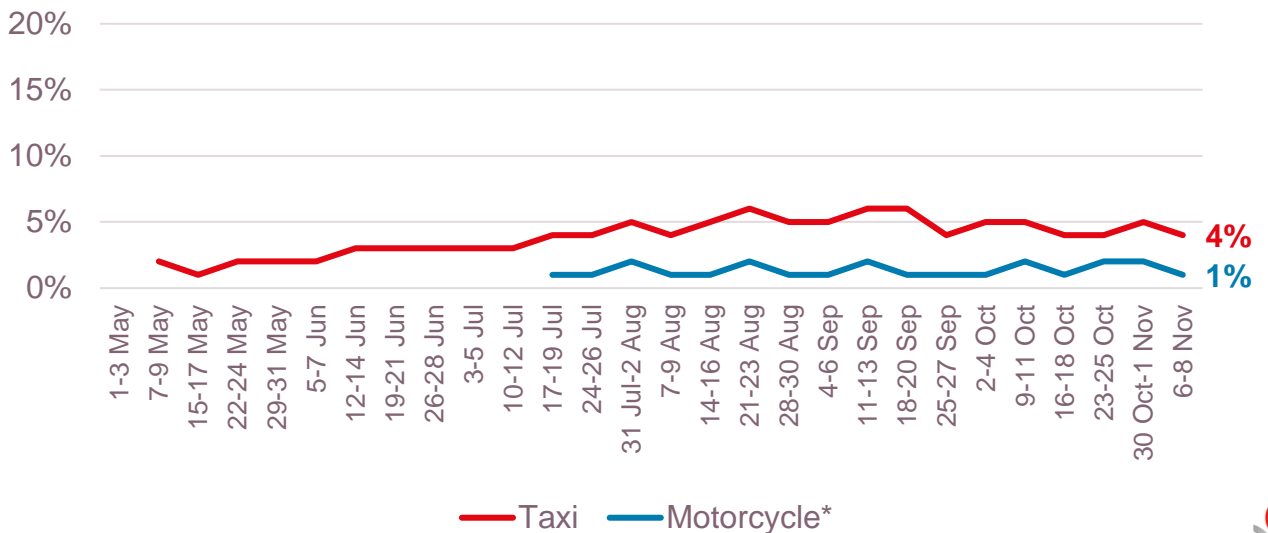

Travel during Covid-19: omnibus week 28

Road use has increased slowly over time bus is falling recently

Use of car / van in last seven days

Use of taxi / motorcycle in the last seven days

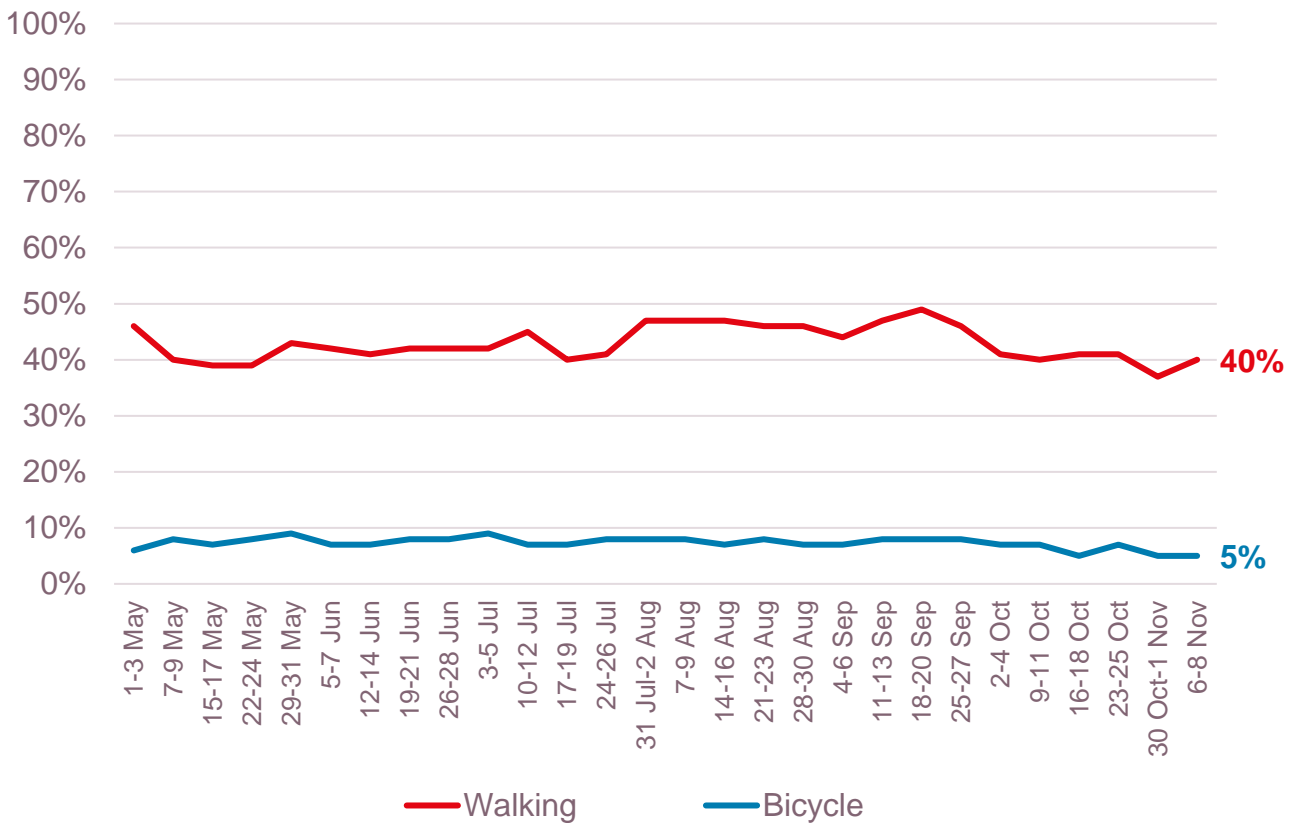

* Separated out at week 12 (17-19 July)

Travel during Covid-19: omnibus week 28

Falling proportions have made journeys on foot or by bike

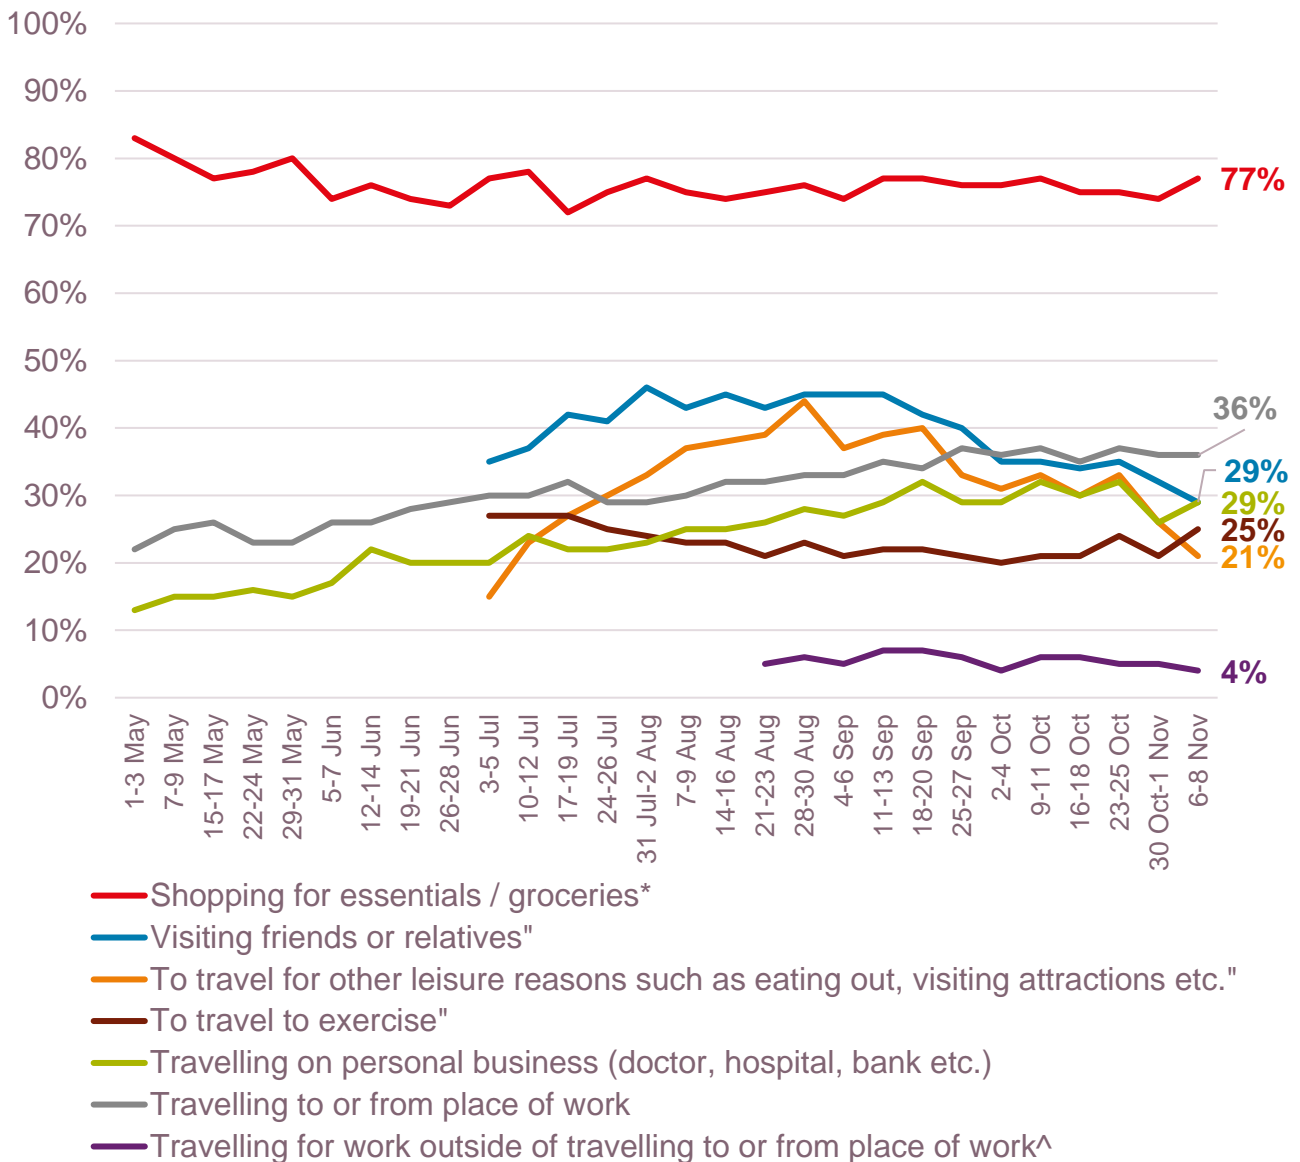

Use of other modes of transport in the last seven days

Travel during Covid-19: omnibus week 28

Falling proportions have made journeys to visit friends or relatives, or for leisure reasons.

Reasons for making journeys in the last seven days

* Shopping' weeks 1-9 (1 May – 28 June)

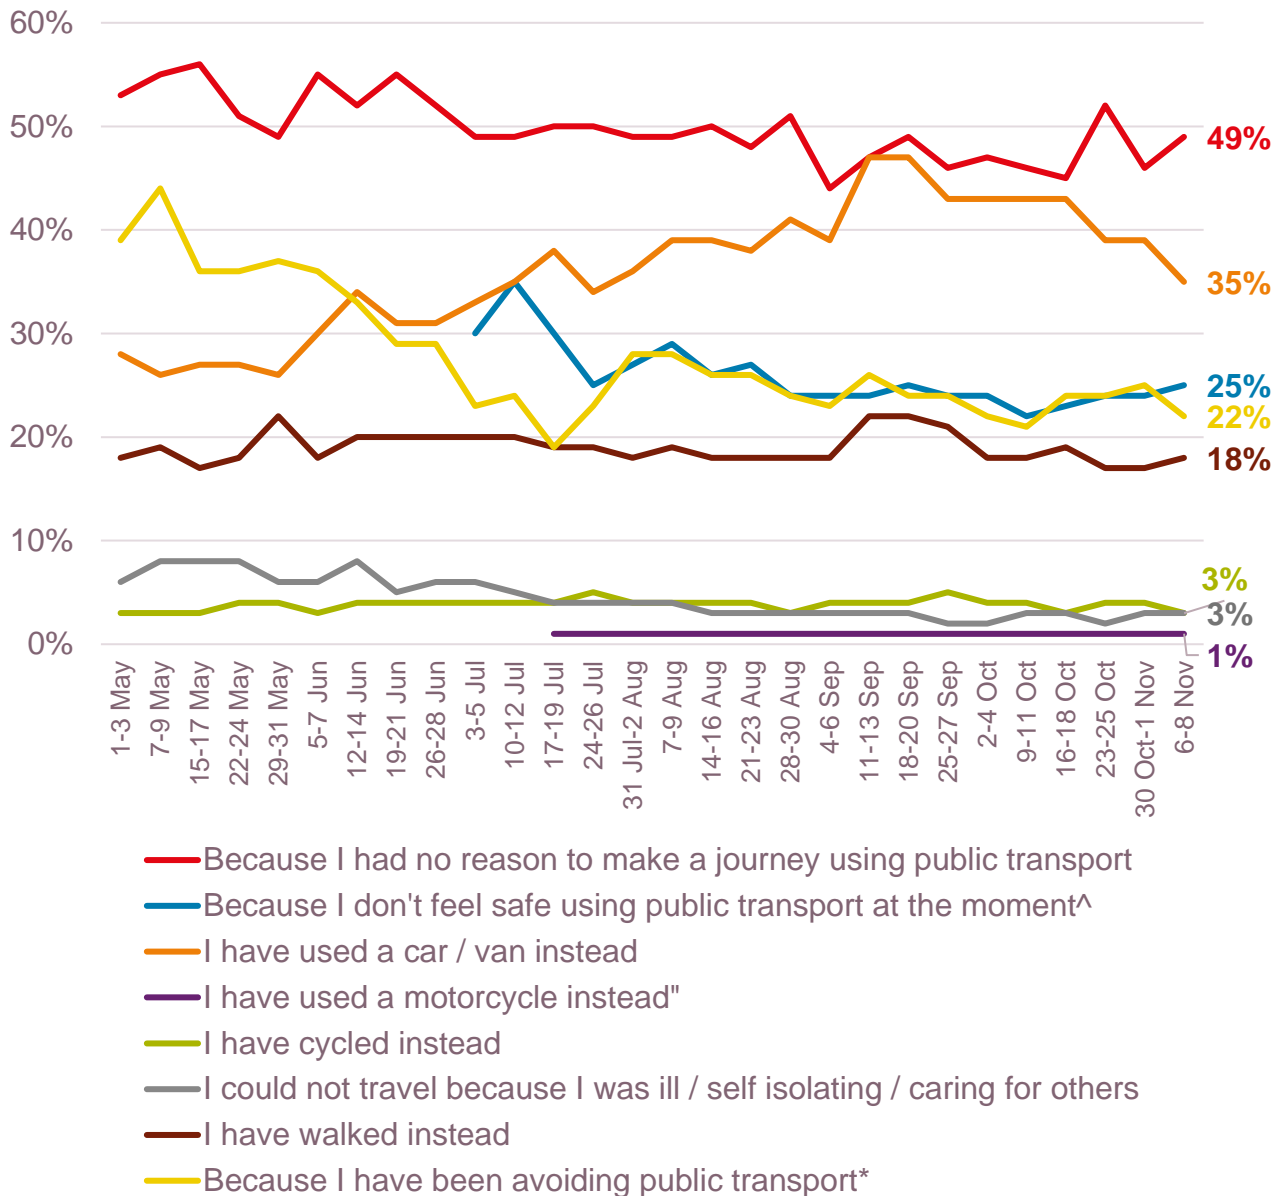

" data shown from week 10 (3-5 July) only as significant text changes made from this week onwards

^ New code added at week 17 (21-23 August)

Travel during Covid-19: omnibus week 28

The proportion of those avoiding using public transport, or not feeling safe doing so, has generally fallen over time, but has risen recently

Reasons public transport not used in the last seven days

* Wording amended at week 10 (3-5 July) and at week 13 (24-26 July)

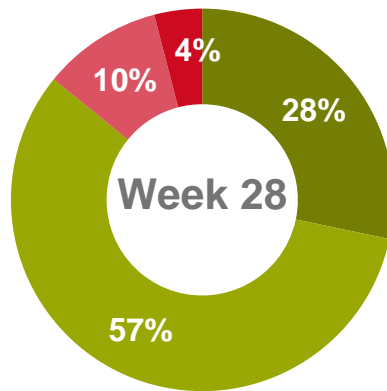

^ New coded added at week 10 (3-5 July)

" New code added at week 12 (17-19 July)

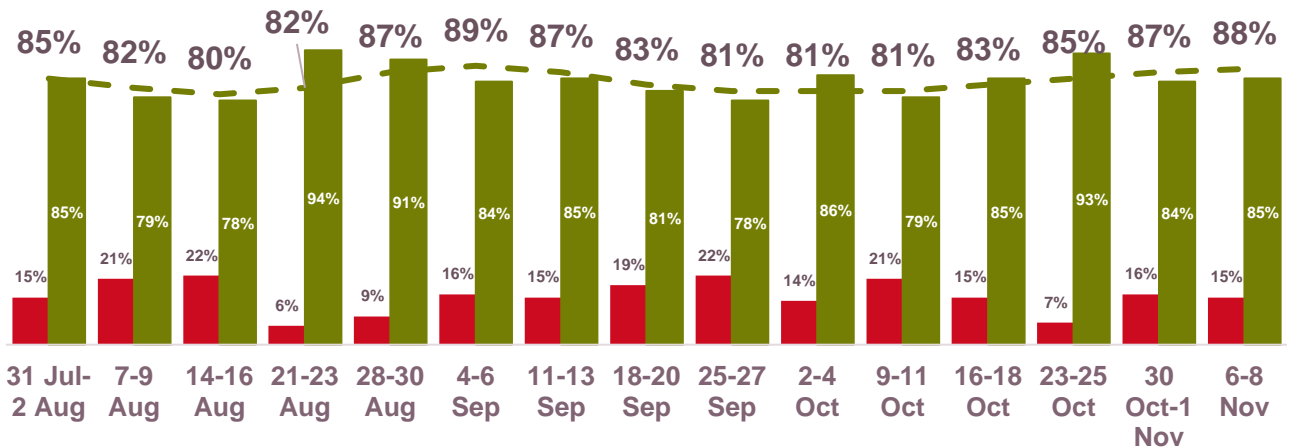

More than four in five of those making train journeys in the last seven days felt safe doing so

Specifically in relation to coronavirus*, how safe do you feel at the moment when using trains?

Base: All making journeys by train, W28 – 89

■ Very Safe ■ Fairly safe ■ Not very safe ■ Not at all safe

■ % Not very / Not at all safe

■ Very / Fairly safe

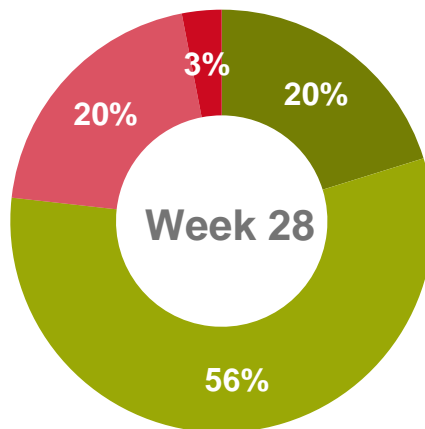

- - % Very / Fairly safe - aggregated three-week average

* Reference to coronavirus specifically added at week 16 (14-16 August)

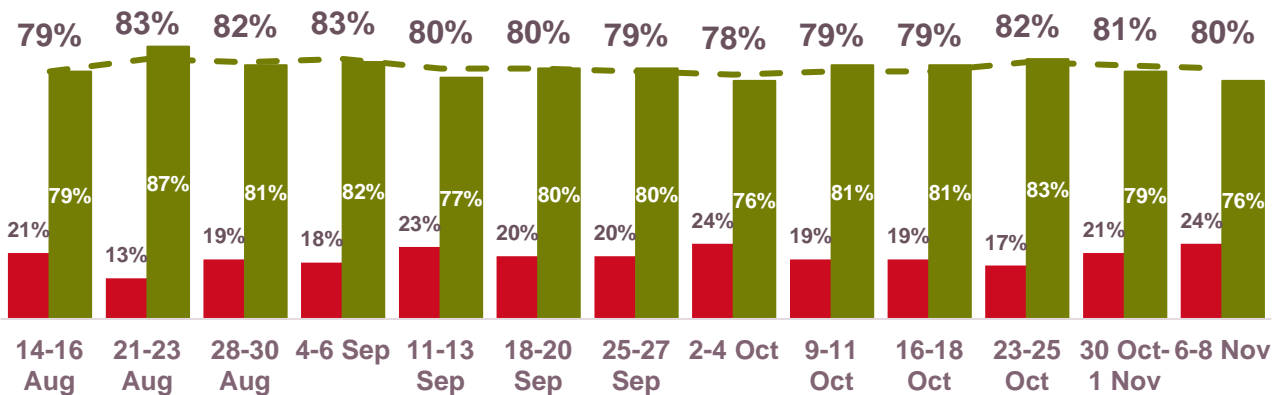

Three quarters of those making bus journeys in the last seven days felt safe doing so

Specifically in relation to coronavirus, how safe do you feel at the moment when using buses?

Base: All making journeys by bus, W28 – 250

■ Very Safe ■ Fairly safe ■ Not very safe ■ Not at all safe

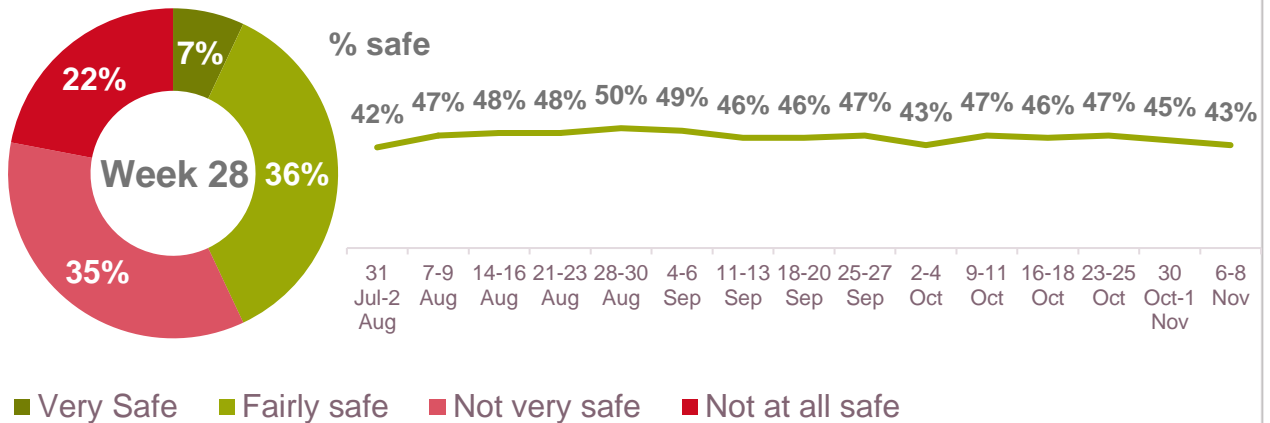

■ % Not very / Not at all safe

■ Very / Fairly safe

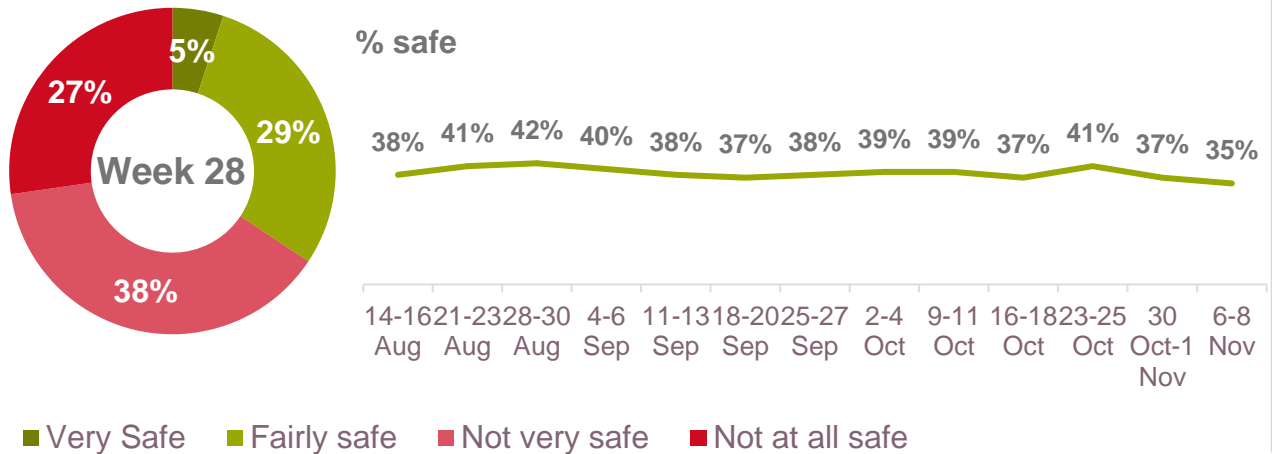

— % Very / Fairly safe - aggregated three-week average

Around two in five of those who have not used a train or a bus in the last seven days would feel safe doing so

Specifically in relation to coronavirus[^], if you had to make a journey at the moment, how safe would you feel making a journey by train?
 Base: All *excluding* those making journeys by train, W28 – 1,889

Specifically in relation to coronavirus, if you had to make a journey at the moment, how safe would you feel making a journey by bus?
 Base: All *excluding* those making journeys by bus, W28 – 1,728

[^] Reference to coronavirus specifically added at week 16 (14-16 August)

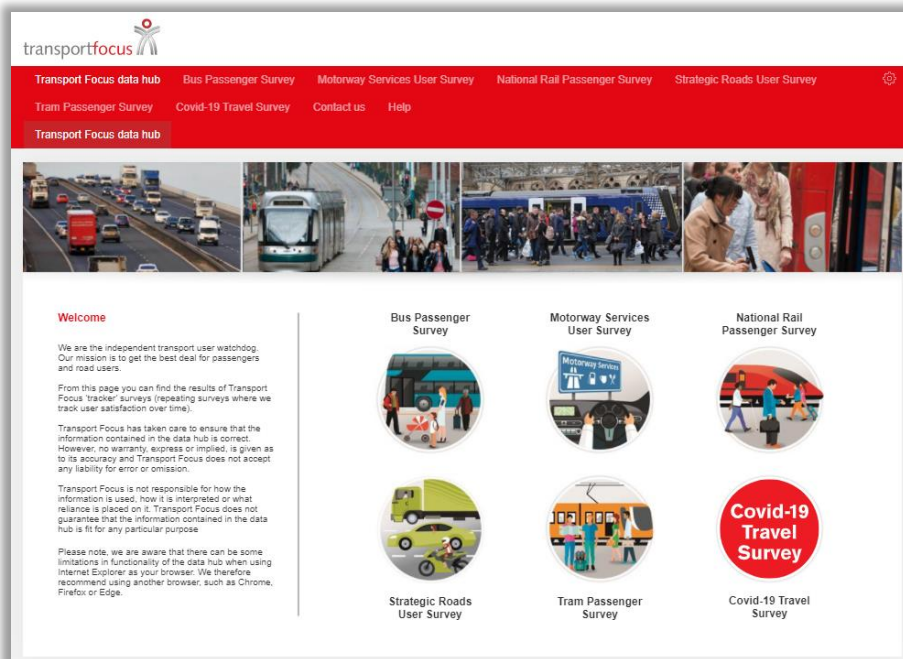

Transport Focus Data Hub

All the results from this wave and previous waves of this research are available for your own analysis on the Transport Focus Data Hub.

The data is available for anyone to view at:

www.transportfocus.org.uk/data-hub

You can access the survey by clicking on 'Covid-19 Travel Survey'

Please note:

Data from new waves of the survey is uploaded and made available on each Friday morning. The survey may be unavailable on the hub on Thursday afternoon while the upload of new data takes place.

Survey method and sample breakdown – week 28

- c.2000 online interviews per week. Using Yonder Consulting weekly omnibus.
- Nationally representative of Great British population – not all respondents are passengers on public transport.
- Those who have provided a response are excluded from the subsequent wave of research.
- Fieldwork repeated each weekend. Week 28 fieldwork: 6 – 8 November

Sample size by age groups and gender

	Total	18-24	25-34	35-44	45-54	55-64	65+	Male	Female
Week 28	2,012	227	324	333	364	311	453	988	1,024

Sample size by region

	Scotland	North East	North West	Yorks & Humber	West Midlands	East Midlands	Wales	Eastern	London	South East	South West
Week 28	187	87	222	154	183	159	97	186	269	284	184
